# Serials Collection Comparison Options

Two new tools available for individual library serials collection comparisons:

- **GreenGlass for Serials**

[https://help.oclc.org/Library\\_Management/GreenGlass/GreenGlass\\_for\\_Serials](https://help.oclc.org/Library_Management/GreenGlass/GreenGlass_for_Serials) Note: EAST is in conversations with OCLC concerning the possibility of offering a discount to EAST members who are interested in using GGFS and would consider making commitments to EAST for uniquely held titles

- **Free CDL/CRL/HathiTrust Collection Comparison Tool**

<http://papr.crl.edu/tools/compare>

See Rosemont matrix, comparing the functionality of the tools:
