EAST EASTERN ACADEMIC SCHOLARS' TRUST

Voyager library (Connecticut College)

Where to place the note?

Voyager has three part record structure

Bibliographic – *Holdings (MFHD)* – Item

We chose *Holdings* records

- more likely to get noticed there by staff
- same place where staff notes go (e.g. special shelving instructions, “latest issue in REF, older eds. in Stacks”)

EAST EASTERN ACADEMIC SCHOLARS' TRUST

Voyager library (Connecticut College)

Process

- Applied note to 114,380 holdings records using Global Data Change utility

Duplicates

- SCS allocations at Bib level
- When multiple copies exist, no way to differentiate
- Added 583 to *ALL* associated Holdings on the allocated Bibs
- Will be up to future collection managers to understand EAST policy (only one copy needs to be retained)

What we overlooked

- Migrating to Alma/Primo next year
- Primo won't display 583 from Holdings records, but will display a note field in the Bib
- Fix pre- or post-migration? Which will be easier?
