# OCCLC Registration Multipart Monographs

Multipart Monograph holdings being discussed again in light of SCELC's plan to include them.

583 1b |a committed to retain |c 20160630 |d 20310630 |f EAST |3 v.1 v.2 v.3

- Practices and data sources will vary
- EAST providing additional documentation and options
- Partnership for Shared Book Collections working on a Best Practice

# UConn Brittle Book Digitization Update

- Digitize retained books that are too brittle to use and not in the Public Domain HathiTrust
- EAST OC signed off on withdrawal of books too brittle to be used for which there is an open copy in HathiTrust OR will be digitized and added to Internet Archive's CDL and HathiTrust
- Joint meeting with UConn & HathiTrust to determine validation possibilities for already digitized surrogates

# Membership Update

## Florida Cohort:

- SCS delivered the retention allocations for review. Libraries will retain 11%-24% items. FLARE (repository) will retain 100%. Total new retention commitments estimated at 750,000 bringing total EAST monograph commitments to @10 million!
- Project Team working with Florida Project Managers to finalize commitments, reflect them in their ILS, WorldCat and Gold Rush.

Monograph retention data from the US Coast Guard Academy now in GreenGlass

The University of Rhode Island and Lehigh University are new EAST members, and will use GreenGlass and Gold Rush respectively for their collection analysis.

# EAST Program Assessment Plan (1 of 2)

## Goals of Assessment:

1. To better understand the value of EAST from the perspective of the member libraries, including:
  - a. Continued endorsement of EAST's mission
  - b. General satisfaction as a member of EAST
2. To inform strategic planning and future directions
  - a. General agreement with the current directions and plans
  - b. Potential new services that would serve the membership

# EAST Program Assessment Plan (2 of 2)

## Method:

- Survey to Voting Members and Operational Contacts
- Small group discussion as needed

## Timeline:

- Have surveys ready to send by September/October with an early November deadline
- Analyze results in November
- Share results and discuss with EC at December meeting
- Share with the membership in early 2021

EAST Project Team and Executive Committee members Peggy Seiden (College Librarian, Swarthmore) and Scott Warren (Associate Dean for Research Excellence, Syracuse) will develop the assessment tool.
