PALNI accepted more than **200,000**  
new retention commitments.

**60,000** are new to EAST.

**PALNI**  
*Collaborative, Strategic, Innovative*

# Member Meeting Outcomes

- Secure retention commitments beyond 2031
- Scope - specifically in regard to outdated, harmful, and/or offensive materials
- Digitization - Can EAST develop a partnership to assist EAST member libraries
- Preservation - Interest expressed in an EAST Preservation COI for older materials
- Prospective Collection Development - tools and potential pilot

Survey RE:  
retention  
renewals  
coming soon!

# Querying the EAST Collective Collection

**OCLC Search API** - To access a library must have a full cataloging AND a FirstSearch subscription.

**OCLC Metadata API** - To access a library must have a full cataloging subscription.

**EAST's Core Strategy**  
facilitate members' data-informed decision making about collections

# Data Usage Policy

- The policy will address when and how collections data will be shared with potential and actual external partners.
- Libraries will have an opportunity to opt out of data sharing.
- Working Group includes Board and OC members + Program Team.

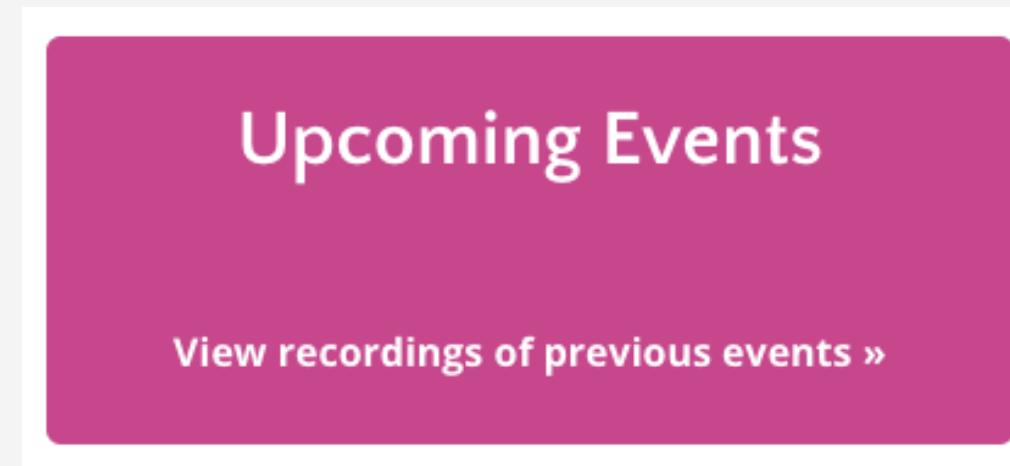

Have a good example of a data usage or open data policy?
